	Age Related Statutory Content
EYFS	<p>Understanding the World The Early Years Foundation Stage provides ample opportunities for children to find out about the past and begin to develop historical skills.</p> <p>The area of learning, Understanding the World, involves guiding children to make sense of their physical world and their community. Key to this is the introduction to a range of stories and the opportunity to demonstrate curiosity, finding out about their own lives and those before them.</p> <p>Staff ensure that through the use of class topics, children have the opportunity to investigate objects and ask/answer age appropriate enquiry questions about their features and origin. They are given the opportunities to use language related to time in the course of the school day and over the week, beginning to understand chronology and the passing of time.</p> <p>Children should be given opportunities to explore and learn through play with adults supporting and scaffolding their learning and ensuring ample opportunities for exploration.</p> <p>ELG: Past and Present Children at the expected level of development will:</p> <ul style="list-style-type: none">- Talk about the lives of the people around them and their roles in society- Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class- Understand the past through settings, characters and events encountered in books read in class and storytelling.

ST JOHN'S C OF E PRIMARY SCHOOL

Key vocabulary for each year group *must* be taught within the year and previous year's vocabulary should be regularly revisited and used to ensure that pupils are building upon prior learning and any gaps can be quickly identified and addressed.

Pupils' secure understanding of **key substantive concepts** such as invasion, trade, monarchy and power are essential for progress in history and will be built upon in different year groups over time. They will be explicitly taught, regularly revisited and assessed in context.

Key 'second order' or disciplinary concepts including chronology, change and continuity, similarity and difference, cause and effect, interpretations, historical evidence and significance are constantly reinforced through different content across the school.

Year Group	Chronological Understanding:	Historical Enquiry:	Historical Terms:	Interpretations of History:
