Home - School Agreement

Gather, Grow, Go,

The Parable of the Mustard Seed

Matthew 13:31-32

At St John's, we recognise each pupil as an individual and aim to give all pupils every opportunity to realise their full potential. We believe that a close partnership between the school, parents and pupils is essential if we are to achieve this aim.

It is the vision of all involved at St John's School to provide for its pupils a happy, secure and stimulating environment based on Christian values (Living and Learning) in which they can develop both academically and spiritually ensuring a **hope** for each individuals **future**. We aim to encourage an enjoyment of life and a love of learning. We believe that a positive partnership with parents is crucial.

We require all parents and pupils to sign the home-school agreement and maintain an awareness that advice from the DfE states that refusal to sign the school's home-school agreement does not provide exemption for any pupils from the rules outlined by the school.

Our School will:

- Encourage children to do their best at all times.
- Celebrate your child's academic and personal achievements.
- Provide a balanced, interesting and relevant curriculum and a high standard of education.
- Encourage children to be thoughtful, independent learners who listen, inquire, question, discuss, challenge and reflect.
- Promote high standards of behaviour, encouraging good manners, respect for others and individual responsibility for maintaining our school as a safe and happy community.
- Inform parents of their child's progress.
- Carry out home visits if children are regularly not attending school and no contact has been made to explain why.
- Provide the scaffolding needed to enable your child to achieve their full potential and raise their aspirations and ambition.
- Make every effort to ensure that children are safe, secure, confident and happy and listen to them.
